## **Course Joining Instructions**

We are very easy to find. We are part of Samsara Ink at the above address (Satnav BS23 1US) next door to Apple Central Taxis.

Victoria Methodist Church is nearly opposite us, across the road at 38 Station Rd, (Satnav BS23 1XY). There is a small car park behind the church.

There is a large car park across the road from Tescos, Locking Road Car Park, Francis Fox Rd, (Satnav BS23 3DE).

The train station is a short walk away.

Please arrive at 10:00am.

Whilst a ring binder will be supplied and you will be given lots of handouts, please also bring with you a pen, pencil and a pad of A4 paper.

On Sunday to Wednesday we start at 10am through to 5pm. On Thursday we start at 10am and usually finish at around 1pm.

The beginning of the course will cover all the theoretical side to body piercing with the introduction of equipment and consumables. This takes place all day Sunday and Monday.

The practical application begins on Tuesday when we begin to apply the techniques being taught with 'mock' piercings and supervised piercings on the other members of the group and supervised piercings on clients during the afternoons.

Passing the course is by continuous assessment of practical ability. The results will be on Thursday morning, including tying up loose ends and recommendations of suppliers and other practical matters.

We look forward to meeting you and welcoming you on the course. We are a friendly professional bunch of people.
